

ABERDEEN

Homeowners:

The Business Card above is the person working at the front entrance to your community cleaning up and repairing the damage from the tornado.

If you would like to contact him for any cleanup of debris or repair fences at your property, you may do so. Costs involved would be your responsibility to pay.

If you have any questions or concerns, please contact me by email:

andrewg@ameritechtechmail.com.

Andrew George, LCAM

Community Association Manager
